## AT THE CLUB THIS WEEK

We hope you survived the winds over the weekend with no or little damage. The club took a bit of a hit but came out ok.

**Southern Jetty:** This has sustained some minor damage. We have parts underway for the repair. You are welcome to use it, just be gentle when launching and retrieving.

**Mark your Calendar,** the AGM will be held on the 28<sup>th</sup> September at 2pm. All members are welcome, only full members are eligible to vote.

**Working bee:** Scroll down to see the great job some of our members did on Saturday.

**All Blacks game last Saturday:** We apologise to all the people who came down to watch the game on Saturday to find we had no sound. This issue has been fixed.

### Commodore's comment

Stew wants you all to think about the 6 P's before heading out on the water this summer. I am sure you know what they are - we thought the PC way to say it is.. Take a look at the Coastguard website to get yourself ready for boating this summer

# ***A new Community BBQ trailer is coming....***

🔥 **Exciting News for Our Community!** 🔥

We're looking for expressions of interest to help get an awesome new community BBQ trailer on the road — ready for everyone to use!

Local legend Scott Garland has been busy in his shed over the past few weeks, working hard to create a community BBQ trailer that groups, clubs, and organisations will be able to utilise for fundraisers and events.

We think this is a fantastic idea and we're keen to spread the word!

If you'd like to get involved, contribute, have some ideas for the trailer, or find out more about how you or your group could make use of the trailer, please contact Jocelyn at the BBSFC office:

Let's get this BBQ trailer sizzling and make it a great community asset! 🍖🔥
